

Accused: Facts are correct.

Court: Accused is convicted on his own. Plea of guilty entered.

**Reasons:** No previous record. He has not wasted court's time. Case of unlawful possession of ivory is rampant in the jurisdiction. The exhibit is a big one. We have entered into a court plea bargain. Then he serves 3 years or pays a fine of 3 million and that the ivory be handed over to Executive Director, UWA.

**Mitigation:** The convict is a family man and 2 children. He has secured court's time. We pray court adopts the bargain.

**Sentence:** The convict is a first offender who did not waste court's time by pleading guilty. The convict is a medical representative who should hold on to his job and if he so wishes to engage in such business, he should get a valid wildlife use right. I am not in doubt that a mature elephant has been killed which is a loss to the tourist sector.

Parties have entered into a bargain and as a first offender. Court will grant the bargain and sentence the accused to serve 3 years imprisonment or pay a fine of 3 million shilling.
