Accused: Facts are correct.

Court: Convicted on his own plea of guilty.

No previous record.

Cases of unlawful possession are rampant in Nwoya. If such offences are not curbed. They will get extinct. I pray for a reformatory sentence.

Mitigation: The convict is a first offender. He is remorseful. The convict was looking for food. There is need to sensitize the people. They deserve guidance not punishment. I pray for lenient sentence.

Sentence: The convict is a first offender who killed in Uganda kob. The convict was looking for food but he can still get better food through farming. I agree with the defence that state must do a lot of sensitization to the people neighboring the park. The convict is therefore sentence as follows.

Count 1: 6 months imprisonment.

Count 2: 6 months imprisonment.

Count 3: 12 month's imprisonment.

Court: Sentence to run concurrently.
