**Reasons:** No previous record. Offence is rampant. Considering the area of commission near Murchison Park. There is need to help the convict reform. I pray for deterrent sentence to send a message to Masindi people and the order to dispose the carcass.

I so pray.

**Mitigation:** The convict is a first offender. We had an accused plea bargain, we agreed on 1 year or 1 million. He has agreed not to repeat. He was a boda rider for a pay.

**Sentence:** Accused is a first offender. He has not wasted court time. The convict should learn to scrutinize whatever he transports. The convict is sentence to 1 year imprisonment or pay 1,000,000/= as fine.
