

ACC: I have understood and it's true.

Court: Plea of guilty entered.

Pros. Brief facts.

Accused and others still at large on 30/8/2021 around 6:30 a.m. was found in the area of Temokoko which is within Murchison national park, he was arrested by the game rangers and upon his arrest he was found with a canoe and other food stuff and upon being asked whether he had permission to enter the park his answer was negative, the GPS taken shows he was within the park.

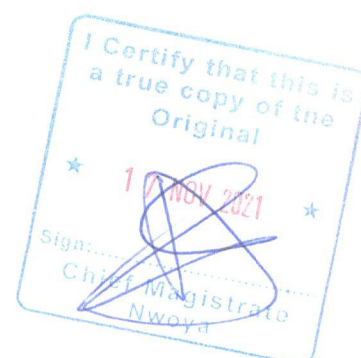

ACC: The facts area true.

Court: Accused is convicted on his own plea of guilt.

**Pros. Allocutus:** I am praying for one year.

**Convict in mitigation:** I have nothing to say.

Court: **Sentence.**

The convict is a first offender with no past criminal record, he pleaded guilty to the charge thus saving court's time, however the offender is convicted off is so rampant within this court jurisdiction thus calls for deterrence sentence thus in consideration of the above the convict is sentence to two years imprisonment. Right of appeal explained.
