Accused persons in court.

Prosecutor: Matter for mitigation and sentence.

Court: AI in mitigation.

I am a sole bread winner for my 15 children and the entire family I am asking for forgiveness since it is my first time to commit this offence.

Mitigation by A2.

I am a sole bread winner for extended family and I am asking for forgiveness.

Court: Sentence.

The convicts are first offender with no known past criminal records they both pleaded guilty to the charges and saved courts time. They both asked court to be lenient to them a sign that they are remorseful.

They both told court they are sole bread winners for their children and extended family however the offences they are convicted off are so rampant within this court's jurisdiction thus the convicts are sentenced to one count one, each to one-year imprisonment count two, each to two years imprisonment the sentence runs concurrently.
