21/6/2018 Okeny Charles for state.

Okidi Clerk/Interpreter.

Accused in court.

Pros Brief facts. It is alleged that on the 2nd day of June, 2018 accused and others still at large at about 9:00 am, he was arrested within

Mugona, a place within Murchison national park and at the time of his arrest, he was in possession of two metal traps, 3 spears and one panga and was also found with a fresh Uganda kop.

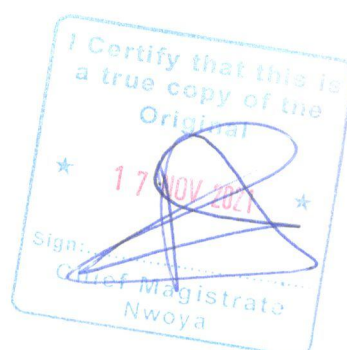

Accused: The facts are true as stated by prosecution.

Court: Accused is convicted on his own plea of guilt on all the three counts.

Pros Allocutus: Convict is a first time offender, he pleaded guilty thus saving court's time however the convict did not only enter illegally in to the park, but also carried out devices and he succeeded in killing one Uganda Kop, and if this killing is not checked, we shall loose all these wildlife spices and I pray for a custodial sentence to serve as a deterrence sentence to would be offenders.

Convict in mitigation:

I am requesting court to forgive me. It's my

first time to enter the park and I am shakily and I do not eat salt and I am the sole breadwinner for my family.

Court sentence:

The convict is a first offender with no known criminal record, he pleaded guilty to all the charges thus saving court's time and resources. He has told court he is ~~shakily~~ ^{SICKLY} and does not eat salt and also a sole breadwinner for his family however there is need to put in measures to safeguard the protected wildlife species since they are the biggest contributor to Uganda's economy thus in consideration of the above reasons the convict is sentence to:-

1. On count one, to pay a fine of UGX. 300,000/= and in default serve one-year imprisonment.
2. Count two, to pay a fine of UGX. 300,000/= and in default serve one-year imprisonment.

3. Count three, pay a fine of UGX. 1,575,000/= and in default serves one-year imprisonment. The fines are cumulative and imprisonment sentence runs concurrently. Right of appeal explained.
