

true.

C II. I have understood the charge and it is true.

Court: Plea of guilty entered on both counts.

**Pros brief facts:** The accused and others still at large on 25/7/2018 illegally entered an area called BRAVO DELTA which is within the Murchison falls national park and upon being arrested, accused was found with 1 spear and 5 knives which are used for killing, wounding or capturing the wild animals.

Accused: The facts are true as stated by prosecution.

Court: Accused is convicted on his own plea of guilt.

**Pros Allocutus:** On the count one, I pray for one year and 2<sup>nd</sup> count, I pray for 2 years.

**Convict in mitigation:**

I am admitting I committed the offence and seek for forgiveness and I have children which I take care and it is my first time to

commit the offence and I promise I will never repeat it.

**Court sentence:** The convict is a first offender with no known past criminal record, he pleaded guilty to both counts thus saving court's time and resources, he asked court to forgive him since it was his first time to enter the park, he has also told court that he is a sole breadwinner for his children however the offences he is convicted of are so rampant within this court jurisdiction which calls for deterrent measures in order to safeguard the wild animals thus in consideration of the above, the convict is sentenced to:-

1. On count one, to one-year imprisonment.
2. On count two, to two years imprisonment.

The sentence runs concurrently. Right of appeal explained.
