## Convict in Mitigation.

I am asking Court for leniency, I am a sole bread.

## Court Sentence.

The convict is a first offender with no known past criminal record, he pleaded guilty to the charge thus he saved Courts time, he asked court for leniency a sign that he is remorseful, he told Court, he is a sole bread winner, I have taken that <sup>up</sup> to consideration however the Courts have a duty to protect the wildlife because of the wide revenue base it offers to the country thus in light of the above the convict is sentence to three (3) years imprisonment.
